<p><b>For items 1 - 5, exhibitors must have their own electrician. The official contractor will not provide installation and connection services for these items.</b> Total power consumption shall not exceed the current specified. In compliance with the Electricity Ordinance (Chapter 406) Electricity (Wiring) Regulations, all electrical installations, inspection and testing must be carried out by a registered electrical worker together with a registered electrical contractor. "Certification of installation, inspection &amp; testing" (Form WR1) should be submitted to the <b>Official Electrical Contractor by 1500 hrs</b> on the last move-in day. Failing to provide by 2200 hrs on the last move-in day will result in suspension of electricity supply throughout the fair period.). The employer of the electrician shall be liable for any damages caused if the electrician fails to comply with the above requirements. The license of the electrician and the employer must be submitted with this order form. No separate order for individual power socket. <b>Exhibitor should take full responsibility for daily on/off their own main switch and maintenance.</b></p>
